Education

- **2021-2024**
BS Software Engineering
University Of Management and Technology
- **2019-2021**
Inter in Computer Science
Aspire Group Of Colleges

Work Experience

- **Intern Front end Developer**
MicroStar Tech | 2024
As a software intern at Micro Star Tech, I gained hands-on experience in software development, collaborating with a dynamic team to solve technical challenges.
- **Wordpress Developer**
Navico Ads | 2023
As a WordPress developer at Navico Ads, I have designed and maintained responsive websites, ensuring user-friendly experiences and high performance. I implemented custom themes and plugins to enhance site functionality. My role also involved collaborating with teams to optimize SEO and manage content effectively.
